

June Newsletter

Welcome to our June newsletter and the final one for the session. It has been another school year of change and I'd like to thank all members of the school community for their support, flexibility and resilience. I'm looking forward to meeting many of you at the School Fair and Sports Day in the coming weeks. I hope you all have a relaxing and safe Summer holiday and that the sun shines for us all!

With best wishes,

Emma McGill

Headteacher

Hello and goodbye

Goodbye and good luck to our P7 children who are leaving us at the end of this term to move on to your new secondary schools. You have been a fantastic group who have led by example and had a very successful final year at Scotstoun Primary. We will miss you and your families who have been a real part of the Scotstoun community. We wish you all the very best as you move on and hope you keep in touch to let us know how you are doing.

Hello to our new P1 children and their families and welcome to Scotstoun. 61 children are joining our school in August which we are very much looking forward to. They, and their families, have visited our school twice and have taken it all in their stride.

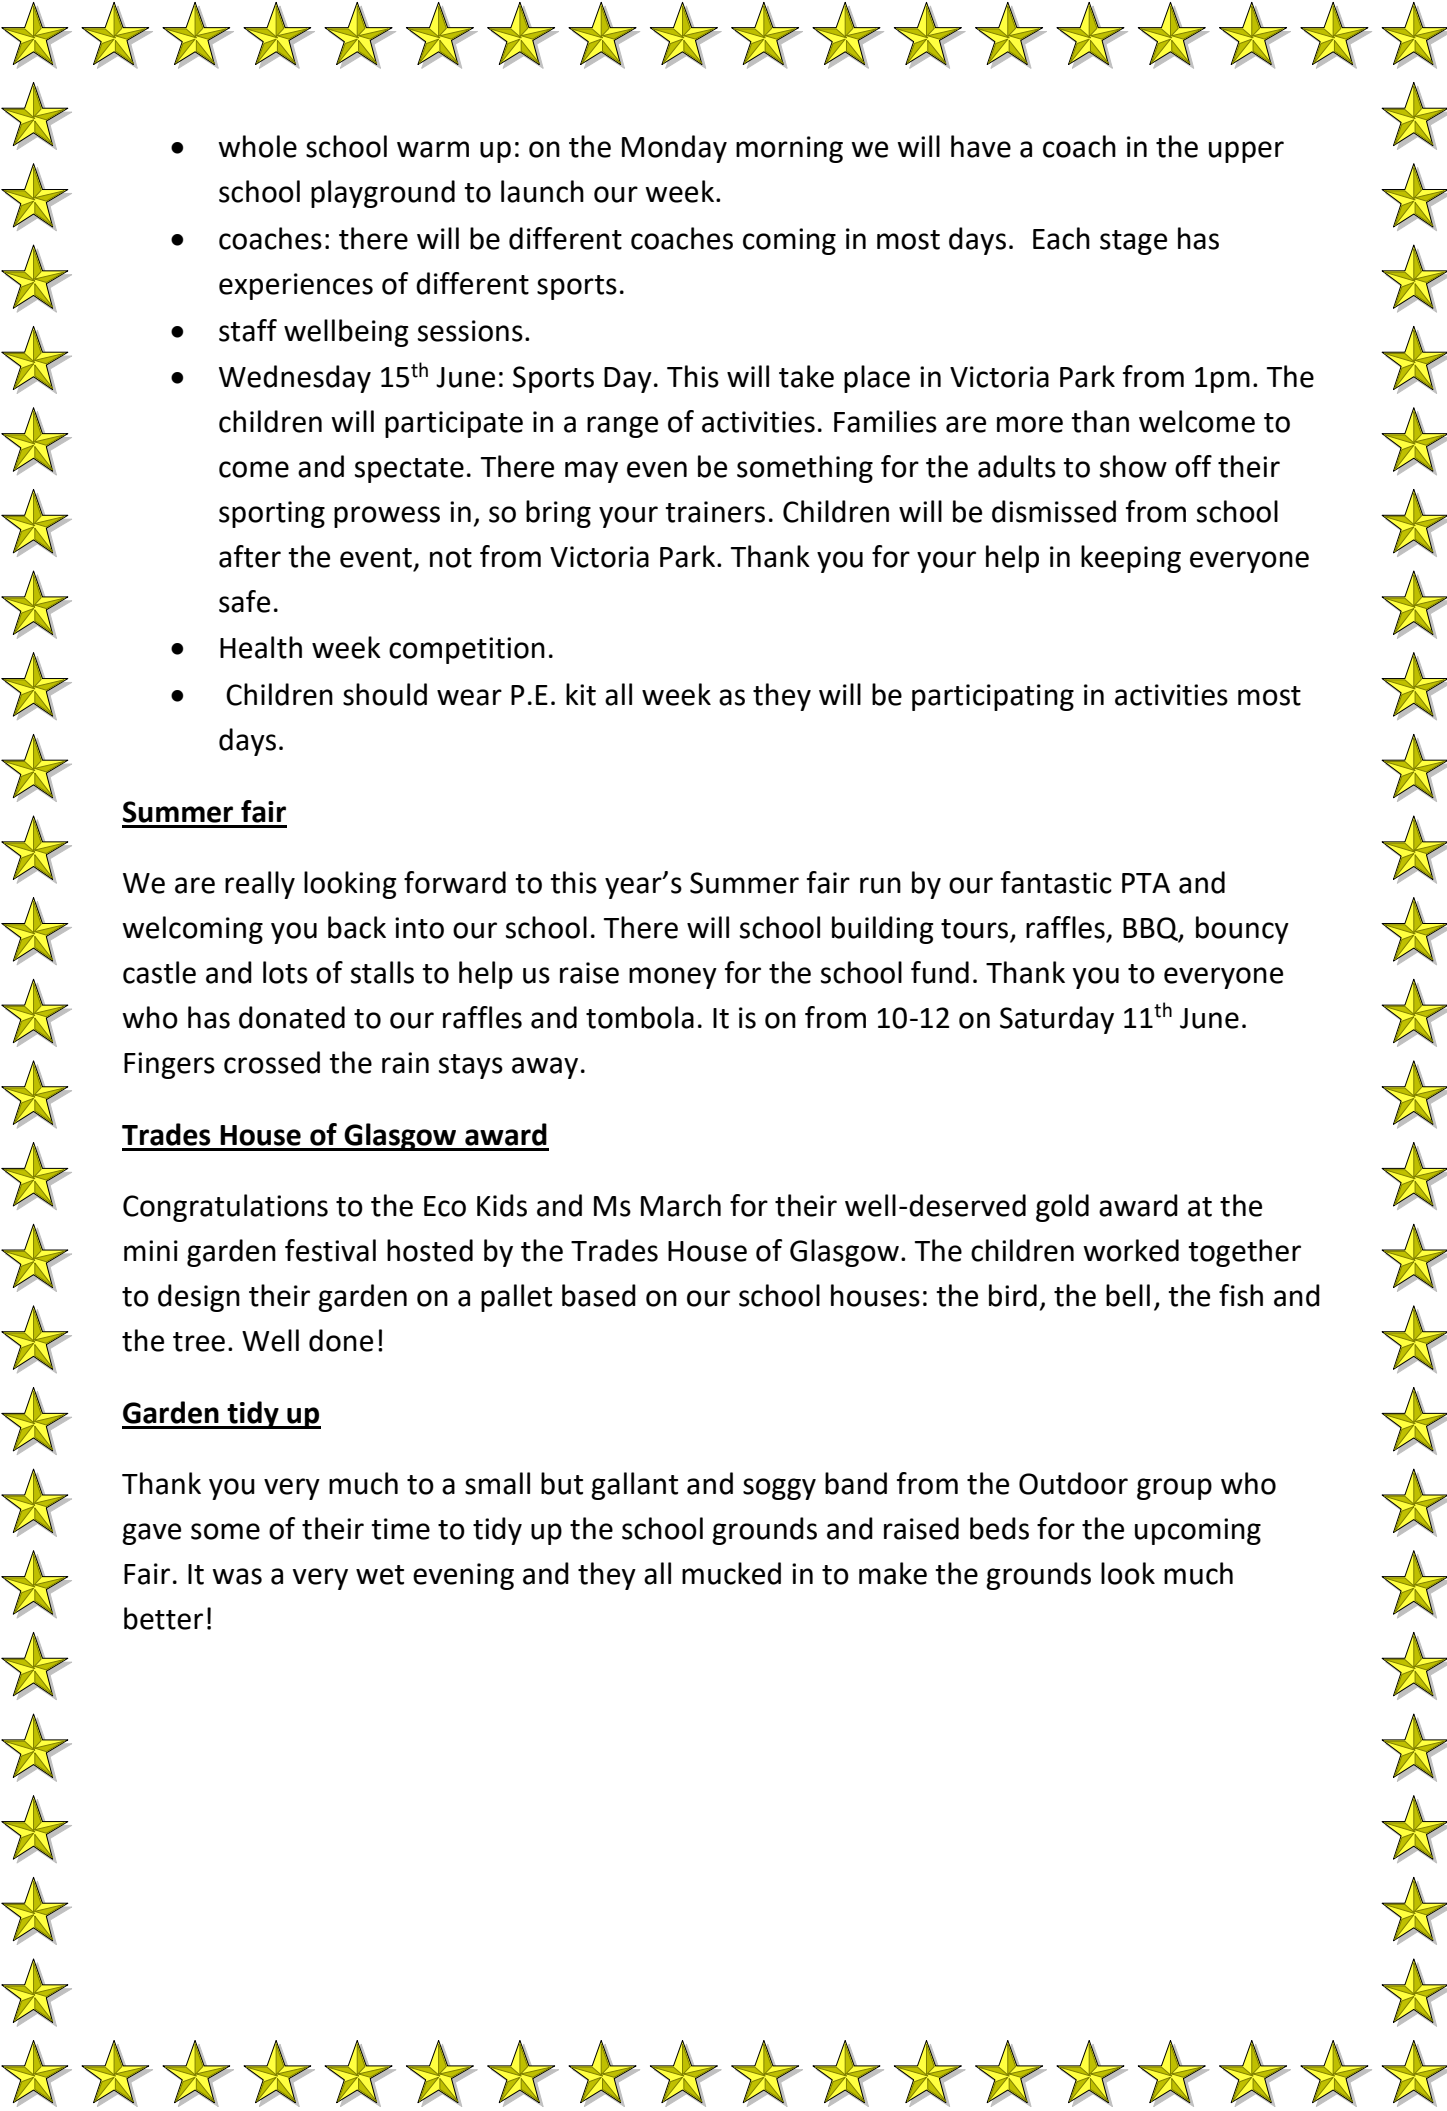

We have several staff leaving us this session and new members joining us. We do not have all those details yet therefore I will send out a separate staffing communication when I have that information.

Meet the teacher

We are having two meet the teacher sessions in the last two weeks to allow our children and staff to get to know one another prior to the new session. They will take place on Thursday 16th June and Tuesday 21st June. Everyone will take part in some activities designed to start the process of getting to know one another and to plan together for the first topic back in August which is a whole school focus on peace. New class information will be issued early on week commencing 13th June.

Health Week

This year's Health Week will take place on week commencing 13th June and will focus on wellbeing. Miss MacDonald and the Healthy Heroes have been working hard to organise this event and it is shaping up to be a great week. Some of the activities are:

- 
- whole school warm up: on the Monday morning we will have a coach in the upper school playground to launch our week.
 - coaches: there will be different coaches coming in most days. Each stage has experiences of different sports.
 - staff wellbeing sessions.
 - Wednesday 15th June: Sports Day. This will take place in Victoria Park from 1pm. The children will participate in a range of activities. Families are more than welcome to come and spectate. There may even be something for the adults to show off their sporting prowess in, so bring your trainers. Children will be dismissed from school after the event, not from Victoria Park. Thank you for your help in keeping everyone safe.
 - Health week competition.
 - Children should wear P.E. kit all week as they will be participating in activities most days.

Summer fair

We are really looking forward to this year's Summer fair run by our fantastic PTA and welcoming you back into our school. There will school building tours, raffles, BBQ, bouncy castle and lots of stalls to help us raise money for the school fund. Thank you to everyone who has donated to our raffles and tombola. It is on from 10-12 on Saturday 11th June. Fingers crossed the rain stays away.

Trades House of Glasgow award

Congratulations to the Eco Kids and Ms March for their well-deserved gold award at the mini garden festival hosted by the Trades House of Glasgow. The children worked together to design their garden on a pallet based on our school houses: the bird, the bell, the fish and the tree. Well done!

Garden tidy up

Thank you very much to a small but gallant and soggy band from the Outdoor group who gave some of their time to tidy up the school grounds and raised beds for the upcoming Fair. It was a very wet evening and they all mucked in to make the grounds look much better!

Dates for your Diary

Date	Event
10am 12 June	School Fair
13-17 June	Health Week
2pm Tuesday 14 June	Upper School Musical Event
Wednesday 15 June	Sports Day
Thursday 16 June (pm)	Meet the Teacher
