

December Newsletter

Welcome to our December Newsletter. We have really enjoyed our family events we have been able to have this session. Thank you to those of you who have supported the PTA Christmas Fair and were able to attend the nativity performances of the Bossy King. The children and staff have worked so hard to put on a fantastic show and we have really enjoyed it.

On behalf of all the staff at Scotstoun Primary, I would like to wish you and your families a very merry Christmas and a happy and healthy 2023.

Best wishes,
E. McGill

Panto Time!

Thank you to Halo Arts for their kind invitation to P4-P7 to see Sleeping Betty at the Maryhill community Centre. Everyone who attended had a great time. Thank you to the parent helpers who were able to come along and help us as well. We really appreciated it!

Class Parties

The class parties will take place on Monday 19th December for P1-P3 and Tuesday 20th for P4-P7. Children can wear their own clothes - sequins and sparkles are most welcome! There may be some other surprises that day too. There will be a disco for P4-P7 however a quiet zone will be available for those that prefer that.

Living Advent Calendar

Congratulations to this talented artist in P5a for their winning entry for the Living Advent competition to light up for Christmas! A group of hardy families and neighbours braved the cold to see our window lit up on 7th December. Thanks to the choir as well who came along to sing some festive songs to get us in the mood for Christmas.

Community Christmas Events

Well Fed (South Street)
19th December - 6-8pm.
Community Christmas Dinner.
23rd December - 10-12pm.
